

Hand in Hand

See the fire in the sky
We feel the beating of our hearts
together
This is our time to rise above
We know the chance is here to live forever
For all time

CHORUS

Hand in hand we stand
All across the land
We can make this world
A better place in which to live
Hand in hand we can
Start to understand
Breaking down the walls
Taht come between us for all time

Every time we give it all
We feel the flame eternally inside us
Lift our hands up to the sky
The morning clam helps us to live in
harmony
For all time

CHORUS

Hand in hand we stand
All across the land
We can make this world
A better place in which to live
Hand in hand we can
Start to understand
Breaking down the walls
Taht come between us for all time
